## DAYS WAGE

The Day's Wage is a way to serve your fellowship and campus this summer! It is a way to use your God-given resources to advance His mission on campus as you live out biblical stewardship.

## Through Day's Wage you can learn to:

- Utilize God's resources to invest in His work
- Begin (or grow in) the discipline of giving to the work of the Lord
- Be reminded that all we have belongs to God and is a gift
- Take joy in what he has given you and give from what you have
