

Developing Generosity in Your Chapter

1 Disciple
your students in stewardship
and generosity

Help your students understand
biblical generosity and stewardship

2 Ask
them to give

Invite them to live it out by giving a
Day's Wage of their summer's earnings

mpd.intervarsity.org/days-wage

**Make sure you do good follow-up
during the summer!**

3 Create
a generous community

Utilize their giving to create a
community that is generous

Use the Day's Wage money

1. Help your students be generous during NSO
 - Get great food for your events
 - Buy every freshman something to drink during a follow-up meeting
 - Get a new proxe station or banner to make NSO better
2. Offer scholarship money to students
3. Support a local chapter plant or a local community college
