

THE LAST CALL GAPS ASK

Email or Text Ask

Hey _____!

I hope you are well and you are thriving already in your post college life.

I hope as you look back at your time at _____ that InterVarsity has had an incredible impact you and your spiritual life both on campus and beyond.

We long for many many more students at _____ to have a great experience with InterVarsity and to thrive spiritually in and after college.

To make the ministry happen many people have partnered with us in many ways. Many of them are alumni, like you are now.

I want to invite you to partner with us to help us have a thriving ministry on campus for years to come. Would you consider praying for us? We will send 3 alumni email prayer updates to share who you can pray for us.

Would you also consider giving? The ministry is funded by many people like you, who benefited from the ministry. Would you consider giving to help this ministry continue to grow? **[Insert giving link]**

You can also advocate for us. Who are other people who would love to hear about InterVarsity?

Finally, you could volunteer with the ministry. Some great ways you could serve InterVarsity are _____.

Please let me know if you have any questions!

Thank so much for considering partnering with us for the sake of the Gospel at _____.
